

HCCC LIBRARY GUEST WIFI LOGIN GUIDE

This Wifi guide is for all non HCCC students/staff who want to use the Library wireless on their laptops. Please note that the guest wireless username and password changes weekly. Please consult Library staff for the new credentials.

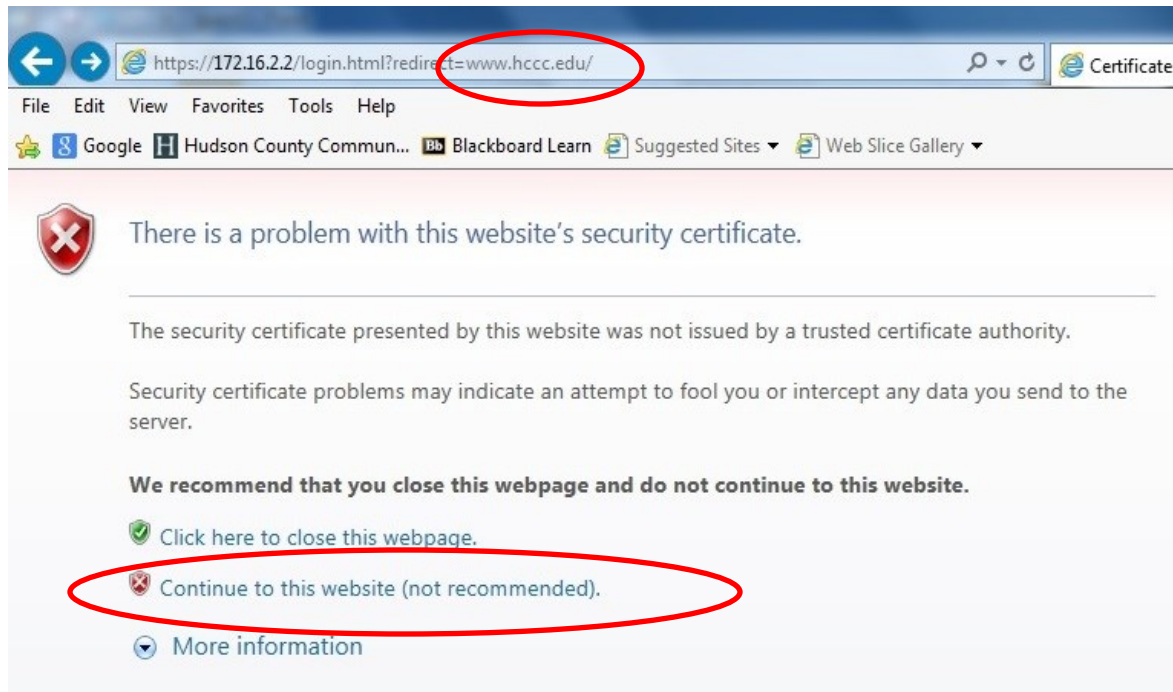

**Click on the
Wifi icon.**

Choose the library-guest Wifi network and click Connect.

Optional: You can also check the “Connect automatically” box.

On your browser access the HCCC website by typing `www.hccc.edu`. You may encounter a warning about security or certificates but choose “Continue to this website (not recommended)” anyway.

Welcome to HCCC Guest Wireless Access

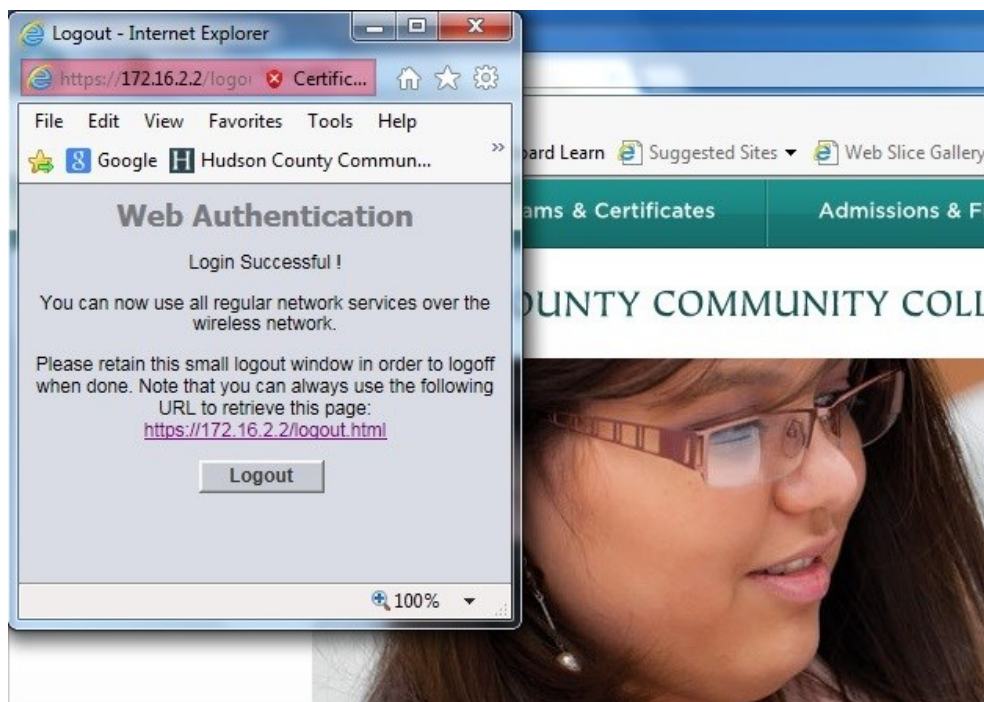

Welcome to HCCC Guest Wireless Access. Please provide your credentials in order to gain access.

User Name

Password

Submit

Enter the username and password given by Library staff at the prompt above.

Be sure you are able to see this window after clicking "Submit". Note that the wireless connection does not allow wireless printing from laptops and mobile devices.
